Mirage

SupraPlus (Clear Voice Tube)

MONAURAL*

SupraPlus (Noise-Cancelling Tube)

MONAURAL*

SupraPlus (Noise-Cancelling Tube)

BINAURAL*

Polaris Cable

The Polaris line of headsets look the same as standard series headsets but they are wired differently and do not require an amplifier. The standard series headsets will not work without a Polaris Cable.

* Binaural headsets cover both ears, while monaural headsets cover only one
